# ADDITIONAL INFO

THE ROGERS THEATER PROJECT INC.

\*As the donor, you get the option to select one of the following:

- Select (3) individuals to be entered into the member database, they will be issued membership cards and they can use the members only areas of the theater on their own. Donor perks do not extend to these individuals; they are access only memberships to upstairs areas. You can grant them the cards for the full amount of time your perks are active, or reassign them annually to different people.
- Keep these spots unassigned, and bring up to (3) guests with you at any time. They must be documented guests, and remain with the person assigned to the donor perks during their visit.

\*\*Business meetings can be easily scheduled. Please let a staff member know approximately how many will be in your party, whether or not the meeting information is sensitive for appropriate staff selection, if there will be separate checks or all-on-one, and if you'll need any help setting up media [presentations, HDMI hookups, surge protectors for laptops, etc].

\*\*\*Events can be scheduled based upon maximum occupancy numbers for the upstairs areas. Outside food and drink will not be permitted - if you will be requesting food and beverages for the event, it will be an additional cost. Please note that food will not be permitted on the rooftop.
